

Our Staff

CareAtHome24/7 is dedicated to providing you with qualified and experienced employees. Our in-house Quality Assurance department verifies that each employee meets the licensing, certification and employment requirements of the state and federal laws and guidelines, including a thorough background check, and continuous monitoring by a trained supervisor.

As an added benefit, an on-staff Registered Nurse Manager reviews each applicant's skill set and ability level in order to provide you with a perfect fit, every time.

All our employees are fully insured and bonded.

After consultation, on average, our **Rapid Response team** have provided excellent patient care within 2-4 hours. In some cases as early as 24 hours.

Payment Options

Personal Checks, Credit Card, PayPal and insurance plan that cover private duty services. Case manager available to guide you with options.

Skilled Services

*Physical Therapy
Occupational Therapy
Speech Therapy
Skilled Nursing*

Companionship & Conversation

Service may includes accompaniment to variety of activities such as party, movie, restaurant, or simply visiting friends and neighbors; writing letters, reading and general conversation, dental, medical, business or social appointments

Live-In: A cost-effective option

Care and support in the home, day and night, providing continuous service, while preventing gaps in coverage. We can assign caregivers for you to ensure continuous service 24/7. We assign the same caregivers per week to ensure consistency of care. Choose HHA or Homemaker.

Homemaking

Services may include:

Light housekeeping: out trash, dusting, laundry etc.

Meal preparation: monitor food intake, grocery shopping, preparing future meals, and clean up after meals. **Pet care:** walking and feeding

Chores: mail, general shopping, prescription pick up

Respite Care

Respite care is short-term care that helps a family to take a break from the daily routine and stress. Respite care is an essential part of the overall support that families may need to keep their loved one at home.

Who need respite?

Respite care helps ease stress on family members or care giver and prevent care-giving burnout.

Personal Care/ Homehealth Aides

Assistance with mobility, exercises & transfer. Bathing, personal hygiene, dressing and grooming Medication reminders.

Other Support and Care

- **Overnight Support and Care**
- **Hospital Support and Care**
- **Care in Assisted Living Facilities**

Senior Care Management

Senior Care Management is a preventive, proactive approach to healthcare that is effective in reducing the risk of hospitalizations, nursing home admissions, and increased healthcare costs.

Senior Care includes the following and more - all tailored to meet your needs:

Medical and financial planning assistance
Assess, create and management of care plan
Coordination of In-home services
Medication management
Safety and environment evaluations
Nutrition and dietary management
Pre- and Post-hospitalization care coordination
Arrange referrals to professionals and specialists
Coordination of services to maximize quality of life.

Daily telephone assurance service

And much more ...

Pediatric Home Health

Our registered nurses, licensed practical nurses, nursing assistants, and companions with pediatric experience deliver individualized care with empathetic hands.
